This Attestation is granted on account of an examination by DEKRA, the results of which are laid down in a confidential file no 2229107.00.

The examination has been carried out on one single specimen or several specimens of the product, submitted by the manufacturer. The Attestation does not include an assessment of the manufacturer's production. Conformity of his production with the specimen tested by DEKRA is not the responsibility of DEKRA.
