In 1873, Wilhelm Benjamin Reutlinger I began with the industrial production and processing of wire and hemp ropes. Under the leadership of Dipl.-Ing. Wolf Reutlinger, who has run the company since 1987, the tradition of craftsmanship has been extended by developments and construction for new areas of application.

Reutlinger GmbH, one of the world's largest manufacturers of suspension systems worldwide, is based in Frankfurt am Main. The company headquarters is the linchpin of the company and serves a network of foreign representatives all over the world.

Please inform yourself about further products on our homepage. We will be happy to provide you with individual and personal advice at any time also by telephone.
