

# Crystal Pearls

Crystal Pearls are perfect imitations of genuine pearls and offer unlimited combination possibilities with the colorful loose crystal elements assortment. With the same shimmer and luster as freshwater pearls, they bring grace and elegance to any design, being a luxurious addition to jewelry, textiles and interior décor. Their silky texture adapts to skin temperature so they always feel warm to the touch. They are made of a unique crystal core covered with an innovative pearl coating, producing a flawless, silky smooth, rounded surface.

From timeless classics to contemporary iridescent shades, our myriad of colors in a wide range of sizes and shapes offer unrivalled perfection. A great variety of application methods is possible due to a broad assortment of hole options: Full Hole Pearl (5810 Crystal Round Pearl, 5824 Crystal Rice Pearl, 5841-5844 Crystal Baroque Pearls), Half Hole Pearl (5817 Crystal Cabochon Pearl, 5818 Crystal Half Hole Pearl) and No Hole Pearl (5809 Crystal No Hole Pearl).
