SWAROVSKI KNOBS AND HANDLES

OPENING DOORS TO PERFECTION

The stunning collection of Knobs and Handles designed and crafted by Swarovski shines with an urbane combination of crystal and metal elements, fused together in a sophisticated, timeless, and distinctive design. As the world's leading manufacturer of high-quality, precision-cut crystals, Swarovski presents a stunning range of elegant pieces that will make every indoor space sparkle.

Opening doors to perfection, Swarovski Knobs and Handles recommend themselves for a multitude of furniture, bath and wellness applications.

Customized solutions are available upon request. Our design experts will be at your service to make your interior design visions come true.

Named after Sirius, the brightest star in the galaxy, XIRIUS is Swarovski's most brilliant crystal element. Reinvented for the Knobs and Handles Collection, its gemstone-like cut has been taken to an entirely new, functional level.
