Unipolar Teflon FEP Cables

**C11847G**

**Rigid FEP unipolar cable 1x0.75 T180 grey**

December 03rd, 2024, 19:04

**DESCRIPTION**

Cable unipolar rigido estañado electrolítico con aislamiento FEP para aplicaciones de alta temperatura y buena resistencia al aceite hasta 60°  
CEI 20-51, Directiva Europea de baja tension No. 2014/35/EU  
FEP tipo R5F conforme a norma CEI 20-51:2012

**PRICE**

|  | Lot  | P.V.P. excluding VAT |
|--|------|----------------------|
|  | 1    | 0,5855€              |
|  | 200  | 0,4505€              |
|  | 600  | 0,4095€              |
|  | 1200 | 0,3886€              |
