Satin White LED Bulb Tubular 4.8W 470Lm E14 2700K Dimmable

March 04th, 2025, 09:46

DESCRIPTION

Satin White LED Bulb Tubular 4.8W 470Lm E14 2700K Dimmable.
(equivalent to an old 40W bulb)
This bulb is perfect to complete the P-Light tubular lamp holder kit.
For the choice of the dimmer: in addition to the maximum power of the user, the minimum power must also be considered, since when the regulated power is lower than the minimum power indicated on the nameplate, the user may flicker and/or suffer damage..

PRICE

Lot	P.V.P. excluding VAT
