# LED POWER SUPPLY

## General information

Product ID	4614
Product Name	LED POWER SUPPLY
Brand Name	Self
Status	Certified: DALI-2
Part number	SLD23-600IBD-UN
GTIN	6954749100207
Bus unit configuration	-

## Testing

Family reference product ID	-
DALI test sequence software version	2.3.0.0

## Technical

Bus current consumption	
Guaranteed supply current	0
Maximum supply current	0

## Hardware/firmware information

Hardware version	1.0
Firmware version	1.0

## DALI parts and versions

101	2.0
102	2.0
207	1

## Product properties

- Control gear
  - LED (part 207)
  - Bus powered
  - D4i certified
- Bus power supplies
- Other properties
 

"Other properties" do not imply certification to such standards.
